Authoritarian Leader " Violent protests or urban riots could destabilize society and lead President Trump to militarize local police, crack down on the opposition, and make it easier to sue ...

### **Four scenarios for a Trump presidency - Brookings**

However, the Trump economic plan is much more than just about taxes. As this report demonstrates, the overall plan is fiscally conservative and approaches revenue neutrality in the baseline Tax Foundation scenario.<sup>2</sup> The Trump plan also grows the economy much faster than Hillary Clinton's plan to raise taxes, increase regulation, stifle our ...

### **Scoring the Trump Economic Plan: Trade, Regulatory**

Certainly. After all, despite having his own security and now that security being augmented by the US Secret Service, there have to be times when Donald Trump is with family members, his spouse, his "special friends" or simply completely alone.
