called “The Synoptic Gospels”, i.e. Gospels having a common point of view, and differing very materially from John’s Gospel which gives detailed accounts of our Lord’s several visits to Jerusalem and His ministry there.

THE FOUR GOSPELS - Heaven Dweller's

Mary C. Morrison (1910-2003) devoted her life to family, teaching and writing. A major focus of her work was the gospels. She taught in a variety of settings, including Pendle Hill. The open-ended study questions she honed over years of teaching are available in Approaching the Gospels Together: A Leader’s Guide for Group Study.

the Gospels (four corners of the earth, four winds, four living creatures, and four covenants), which does reflect some kind of theological controversy, but not with regard to authorship.

Approaching the Fourth Gospel - Gordon College Faculty

The four gospels, taken together, form a single, coherent account, suggesting that the several gospels derive from a common origin, namely, widely-spread, eye-witness accounts. The career of Jesus lasted not three years but four. Jesus healed two blind men in Jericho, one upon entering the city and another upon leaving.

Being the scriptural text from The Life of Christ in

Gospels concern both the differences as well as the similarities, although the similarities really focus the questions. So, the Synoptic Problem is the way that serious students of the Gospels attempt to understand the origins and interrelationships of the first three Gospels that will explain both the similarities and the differences between them.

The Gospels and the Synoptic Problem

The Gospel according to John has a number of points of contact with the three synoptic Gospels but differs considerably from them in content and therefore not all Gospel synopses display the book of John.

Synoptic Gospel Parallels - Synoptic Gospels Comparison

Gospels are so many books, each complete in itself, each of which is written with a distinctive design, and that which is included in its pages, and all that is left out, is strictly subordinated to that design, according to a principle of selection.
