The Story of Modern Architecture of the 20th Century

But my favorite architectural story is one that evolves constantly over the life of a project. This is the story told by the Project-Construction Documents. This is a story that, as an architect, I am often the only one who gets to fully see, develop, write and rewrite as the project progresses.

Architectural story books: Project construction documents

one on the x-acto knife, in this case a large box cutter. My school was a short block away from a hospital, and one morning, close to the end of first year studio, we walk in to the main hallway to find a trail of big blood drops going out and in the direction of the hospital.
