The middle class are more sanguine about the prospect of good government, and believe that collective action is effective because they expect many fellow citizens to share the same view. This coordination game with incomplete information does not admit monotone equilibrium but exhibits multiple interval equilibria, where middle class people are more likely to attack the regime.

So What Exactly is Writerâ€™™s Workshop? For some, Writerâ€™™s Workshop is a philosophy, but I like to look at it simply as a way of managing the class. Each Writerâ€™™s Workshop period follows the same basic format: What is Writerâ€™™s Workshop? Mini-Lesson (5-15 minutes 1). A short lesson focused on a single topic that students need help with.

Aspirin is an effective analgesic for acute pain, but is generally considered inferior to ibuprofen for the alleviation of pain because aspirin is more likely to cause gastrointestinal bleeding. Aspirin is generally ineffective for those pains caused by muscle cramps, bloating, gastric distension, or acute skin irritation.
