Recently, I came across one of the latest beard trends – beard jewelry – and that just sealed the deal that beards are, and will continue to be, all the rage. But, forget all the beard accessories and fads surrounding facial hair, have you ever wondered what kind of message just having a beard sends about you?

A beard is the collection of hair that grows on the chin, upper lip, cheeks and neck of humans and some non-human animals. In humans, usually only pubescent or adult males are able to grow beards. However, women with hirsutism, a hormonal condition of excessive hairiness, may develop a beard.. Throughout the course of history, societal attitudes toward male beards have varied widely depending ...
