Beginning to Read reconciles the debate that has divided theorists for decades over what is the "right" way to help children learn to read. Beginning to Read reconciles the debate that has divided theorists for decades over the "right" way to help children learn to read.

Beginning to Read | The MIT Press

Beginning to Read reconciles the debate that has divided theorists for decades over the "right" way to help children learn to read. Drawing on a rich array of research on the nature and development of reading proficiency, Adams shows educators that they need not remain trapped in the phonics versus teaching-for-meaning dilemma.
