But being a difficult patient is a tricky proposition. By advocating for myself, I risk incensing the person on whom I depend for care. I tried being the "good" patient.

## **On Being A "Difficult" Patient | Health Affairs**

When I returned home that evening it dawned on me that being a patient "a good patient" must be terribly difficult. People often discuss what makes a good or bad doctor. A good doctor, for example, must be knowledgeable, technically adept, compassionate, patient, kind, trustworthy, morally sound, and a great communicator.

## **Personal View: How (not) to be a good patient**

Being patient, you can overcome any challenging situation with more flexibility and in a better way. Being stress-free and happy helps you stay healthier. You can be patient if you have clear knowledge about your goal and if you are putting the desired effort in the right direction.

## **Importance of Patience in Life - WisdomTimes**

Being a good patient means more than just sticking your tongue out and saying "ah." As a patient, you should take an active interest in your care and treatment, which includes developing a firm understanding of the rights and responsibilities of patients in general.
