Universal Declaration of Human Rights | United Nations

Protecting Rights, Saving Lives. Human Rights Watch defends the rights of people in 90 countries worldwide, spotlighting abuses and bringing perpetrators to justice

China and Tibet | World | Asia | Human Rights Watch

While belief in the sanctity of human life has ancient precedents in many religions of the world, the idea of modern human rights began during the era of renaissance humanism in the early modern period. The European wars of religion and the civil wars of seventeenth-century England gave rise to the philosophy of liberalism and belief in human rights became a central concern of European ...

History of human rights - Wikipedia

Human rights in the United States comprise a series of rights which are legally protected by the Constitution of the United States, including the amendments, state constitutions, conferred by treaty and customary international law, and enacted legislatively through Congress, state legislatures, and state referenda and citizen's initiatives. Federal courts in the United States have jurisdiction ...
