A nation state (or nation-state) is a state where the great majority shares the same culture and is conscious of it. The nation state is an ideal in which cultural boundaries match up with political ones. According to one

definition, "a nation state is a sovereign state of which most of its subjects are united also by factors which defined a nation such as language or common descent."

Educational spending may come to define the Millennials the way owning a house and two-car garage were emblematic of the Boomers. On average, Millennials under 25 spend 4.2% more of their income on education than their parents did. Higher costs have meant more student debt which has put a damper on spending. From 2005 to 2012, the average amount of student debt for Americans under 30 has ...
