Sculpture is the branch of the visual arts that operates in three dimensions. It is one of the plastic arts. Durable sculptural processes originally used carving (the removal of material) and modelling (the addition of material, as clay), in stone, metal, ceramics, wood and other materials but, since Modernism, there has been an almost complete freedom of materials and process.

When you say barn quilt nowadays, people often picture a wooden barn block attached to the exterior of an actual barn. I have one of those and posted about it years ago (click here to read that post). Earlier this year I made a fabric barn quilt and entered it in a contest in which it traveled for 6 months.

As everyone doubtless knows, President Trump gave the pot a hefty stirring in Warsaw, Poland prior to attending the G20 summit. His message was well-received by immediate listeners but aroused a Sturm und Drang and a half from the usual Western media suspects who couldn't be more predictable if they tried.. First of all, the speech appealed directly to Polish national identity, and by ...
