

international entrepreneurship in small pdf

3 1. Objectives of the study The main objectives of this study are to describe the current position of small and medium entrepreneurship in Russia, to show

Small and Medium Entrepreneurship in Russia

Entrepreneurship is the process of designing, launching and running a new business, which is often initially a small business. The people who create these businesses are called entrepreneurs. [need quotation to verify] Entrepreneurship has been described as the "capacity and willingness to develop, organize and manage a business venture along with any of its risks in order to make a profit".
