The terms First World, Second World, and Third World were originally used to divide the world's nations into three categories. The model did not emerge to its end state all at once. The complete overthrow of the pre-World War II status quo, known as the Cold War, left two superpowers (the United States and the Soviet Union) vying for ultimate global supremacy.

Hi, Chuck, We first rolled out our more precise big-data sales measurement methodology in early 2016, so can't really compare absolute total-sales numbers against previous years, only relative market shares. Thus I can't really determine whether that 4% growth in 2016 represents a speedup, a slowdown, or steady growth.
