The term minimalism is also used to describe a trend in design and architecture, wherein the subject is reduced to its necessary elements. [citation needed] Minimalist architectural designers focus on the connection between two perfect planes, elegant lighting, and the void spaces left by the removal of three-dimensional shapes in an architectural design.

- Maybe you've heard that press releases are dead, irrelevant, and with the rise of social and digital media there are better ways to disseminate your information. The truth is the purpose of a press release has changed a lot over the years. At first, it was about contacting journalists, then it was all about SEO, now it's a form of PR that is part of a larger multi-channel strategy.
