

writing genre fiction a pdf

The genre of horror has ancient origins with roots in folklore and religious traditions, focusing on death, the afterlife, evil, the demonic and the principle of the thing embodied in the person. These were manifested in stories of beings such as witches, vampires, werewolves and ghosts. European horror fiction became established through works by the Ancient Greeks and Ancient Romans.

Horror fiction - Wikipedia

Detective fiction is a subgenre of crime fiction and mystery fiction in which an investigator or a detective—either professional, amateur or retired—investigates a crime, often murder. The detective genre began around the same time as speculative fiction and other genre fiction in the mid-nineteenth century and has remained extremely popular, particularly in novels.
