Supporting the development of students' academic writing

Writing is a medium of human communication that represents language and emotion with signs and symbols. In most languages, writing is a complement to speech or spoken language. Writing is not a language, but a tool used to make languages be read. Within a language system, writing relies on many of the same structures as speech, such as vocabulary, grammar, and semantics, with the added ...

SAT Practice Test Answer Sheet. Download and print this answer sheet to take the full-length practice test. It will look a little different from the one you'll use when you take the official SAT, but the rules are the same: use a No. 2 pencil, completely fill in circles, and track your place so you won't get tripped up if you skip a question.

Introduction The ability to communicate ideas effectively is increasingly recognized as critical to the success of the healthcare system. Effective communication is required not only for successful interactions between individuals and their health care providers (1) but also between health care providers themselves.
