Writing That Works: Communicating Effectively on the Job

Writing is a medium of human communication that represents language and emotion with signs and symbols. In most languages, writing is a complement to speech or spoken language. Writing is not a language, but a tool used to make languages be read. Within a language system, writing relies on many of the same structures as speech, such as vocabulary, grammar, and semantics, with the added ...

This document describes a general approach to writing white papers. It answers questions like: • What is the objective of a white paper? • How is it different from other documents with similar content? • How does it "work"? • What are the key parts of a white paper and how are they organized? I recognize that different authors have different views on this subject
