The Yearbook of International Humanitarian Law is the world's only annual publication devoted to the study of the laws governing armed conflict. It provides a truly international forum for high-quality, peer-reviewed academic articles focusing on this crucial branch of international law.

### **Yearbook of International Humanitarian Law Volume 17, 2014**

Since cultural property is an irreplaceable expression of, and testimony to, the cultural identity of a nation, people or group, the protection of cultural property demonstrates respect for history, culture and tradition. As the demand for cultural property increases, illicit trafficking of cultural property continues to grow.
