Impasto is a technique used in painting, where paint is laid on an area of the surface in very thick layers, usually thick enough that the brush or painting-knife strokes are visible. Paint can also be mixed right on the canvas. When dry, impasto provides texture; the paint appears to be coming out of the canvas.

Space Information Space is big, dark and cold. There is no air or water in space. Astronauts explore space in specially designed spacecraft called spaceships. Robots are also used to explore space. The only place in space that people have been to is the moon. Some people think that there may be life on other planets. Planets are in outer space.
